

3D Printed Prosthetics/Orthotics

Name (Print): _____ Title: _____ Phone: _____

Company: _____ Address: _____

By signing this document, I hereby agree:

I (signee) have the authority to enter into agreements on behalf of the Company.

Any files (3D, CAD, Prints) sent to me by Coyote O&P Inc are confidential, and I will not share or distributed with any other individuals or entities without the consent of Coyote O&P Inc.

I will use these files exclusively for 3D printed prosthetics/orthotics. These files can only be modified or manipulated for use in creating 3D printed prosthetics/orthotics.

The design files will not be used to reproduce, manufacture, or reverse engineer any Coyote O&P Inc products.

Coyote O&P Inc is not responsible for any failure or injury caused by 3D printed parts/sockets/orthotics. Appropriate 3D printing guidelines and safety should be followed by technicians/practitioners.

If these files are not used, or not intended to be used in the future, they will be deleted/removed from any company devices.
